The idea behind InstraVocals was to take vocal recordings from my previous albums, chop them up, and create new verses, and sayings from the chops.

Below, each song is labeled accordingly:

InstraVocal Title -> ALBUM SONG -> (Album Title):

1. Father Have Your Way -- Now is the Time to Worship (What's It Gunna Be: Life or Death)
2. To Each Day Their Own -- He Loves Me, I Love Him (What's It Gunna Be: Life or Death)
3. Get'chur Heart Right -- I'm Free (These Secret Treasures)
4. Keep Your Eyes Open You Sluggard -- One True Friend (What's It Gunna Be: Life or Death)
5. Praize Ye the Lord -- Never Be The Same (The Light to My Dark)
6. Cutoff Your Sin -- Mixed Messages (What's It Gunna Be: Life or Death)
